Message from the Managers

Happy

HALLOWEEN

October is here, and it's time for our winter residents to begin returning to Whispering Pines. We have been busy over the summer with the renovation of our Pavilion.

We hope to have the Pavilion ready in time for our Halloween party. But if not, we will have our party at the picnic tables in front of the pavilion "al fresco". As soon as we know the party location, it will be posted on the sign at the office, along with a list of activities and when they will start this fall.

We're all looking forward to another great season at Whispering Pines!

Richard & Rhonda
