COVID 19 SITUATION

As you know, Whispering Pines has encouraged all residents to be safe during this situation. Please continue to practice good hand hygiene, respiratory etiquette, and social distancing. Stay home if you are sick. Call your doctor if you experience COVID 19 symptoms. It is our civic duty to our neighbors, our city, and our nation to help slow the spread of COVID 19. We must protect ourselves and save America. Social distancing means staying six feet away from others. To protect WP residents and to be good citizens, WP has suspended clubhouse activities until further notice. Also, starting on Monday, March 23rd, office inquiries will be handled only via RING check in, phone, email, and mail. Please see the attached page for details.
