Message from the Managers

It's September, and summer is winding down. Fall will soon begin!

We want to thank our Whispering Pines residents for doing your part and getting the Covid vaccine. This has been a very trying time for everyone. We're immensely proud of our community for social distancing and wearing your masks and keeping your friends and neighbors safe.

Pumpkin Spice Oatmeal in the Crock Pot!

Two cups water
Two and a half cups milk of your choice
One cup pumpkin puree
One teaspoon pumpkin pie spice
One cup steel cut oats
Maple syrup or honey if desired

Place all the ingredients
In the crock pot and stir to combine.
Cover and cook on low for four to eight hours.

You may also use oat, almond, or rice milk.

If April showers bring May flowers,
what do May flowers bring? ~Pilgrims.

What did Baby Corn say to Mama Corn?
~Where's Pop Corn?

Labor Day

Labor Day is on Monday, September 6th. It's time to congratulate each other for all of our hard work throughout our lives. It's also a time to be grateful for living in America with its many great opportunities.

Let's especially take a moment to remember our front-line workers such as doctors, nurses, and grocery store employees who have worked tirelessly during the Covid outbreak. Let's remember to wear masks to help keep them safe.

The office will be closed on Monday the 6th in observance of the holiday, and also closed on Friday, the 3rd.

Please remember to pick
up after your dog while
walking in our community.
It is also important to
always have your dog
under control and on a
leash when you are
outdoors. Cats also may
not roam free in the
Community.

I thought the dryer was
shrinking my clothes.
~Turns out it was the
refrigerator all along.

Good News!

The FDA has fully
approved the Pfizer
vaccine; both Moderna
and J&J are also
expected to get full
approval soon.

Vaccinations are rising!
Those waiting for full
approval are now taking
the jab.

Boosters are now
available for immune
compromised people.
All can get a booster 8
months (may soon
change to 6 months)
after their second dose.

Boosters are free at
CVS, Walgreens, and
Publix. All Covid
vaccines are free.

Please remember to
check your flags and
replace them when they
become worn or
tattered.
